Academic Year: 2021-2022

IQAC Action Plan

The Academic year 2019-20 was very challenging due to the flood calamity for whole Maharashtra and especially to Kolhapur, Sangali and Satara District. Since March 2020 the world has been facing the problem of pandemic disease COVID-19. Since March 2020 there was a total lockdown and so the plan for the next academic year was planned with proper consultation and guidance of academic peers and Management. The first and most important decision was taken in the meeting held on 30th April 2020 regarding the action plan that was of online teaching. The video recording room was planned to establish before 30th June 2020, for the teachers to prepare academic videos. Faculty members are instructed to complete training for 'e'-content development whenever possible. Network facilities are decided to avail for the teachers in college campus.

- To introduce newly admitted students with the physical, academic and other facilities induction programme was planned.
- To develop the virtual teaching learning process decisions are taken about the use of Zoom App, Google-Meet, and Google Classroom.
- To create the awareness among the teachers and students, motivation and ICT facilities were planned to provide them. Academic development of the institute depends on various elements. Growth in academic courses and programmes is required for the overall development of students.
- The institution has received approval from UGC to run B. Voc. in Nursing. With the help of agencies who have signed MoUs academic activities of B. Voc. in Nursing are planned with needful infrastructure with proper furniture.
- Two proposals for B. Voc. in Fashion Designing and Tailoring and in Beauty and Wellness are decided to send UGC for sanctioning.
- Taking the need of time into consideration, the decision is taken that each and every department should conduct online National webinars on various topics.
- To avoid students' academic loss, online teaching and evaluation plan was made for the successful implementation of plan that academic videos, PPTs, Google Tests, Online Preliminary Exams, and Online Competitions etc. are instructed to prepare.
- Up gradation of the infrastructure and resources for further empowerment and care for proper distancing, sanitization etc. are discussed to establish for college and hostel.

- MoUs signed by college are decided to be strengthened through online activities. Introduction of online skill based, value added courses are planned, development of online teaching modules/ notes/ MCQs, banks are instructed to prepare. IQAC/CDC meetings are decided to hold with proper precautions and as per rules and regulations laid by State, District, Government and affiliated University.
- Other academic activities such as: NIRF/ AISHE/ AQAR are decided to complete in stipulated time. Continue with best practices is planned with proper activities is determined.
