**Mentor- Mentee Committee (2020-21)**  
**Report**

Mentor-Mentee Committee worked for the regular communication with the students so that the students' all round development could be achieved. The allotment of the students was done in the beginning of the academic year. The responsibility of 40 students was given to a teacher for the regular follow up. With this allotment, committee issued notices time to time regarding the communication with the students. It was decided to hold two meetings of Mentor teacher with Mentee students per term. This year the meetings had to be organized online with the Zoom/Google Meet like platforms due to Covid-19 pandemic situation. Though online, mentor teachers consistently communicated the students regarding every students submission of scholarship forms, University exam form, their academic performance- unit tests, home assignments, preliminary exams, and participation in curricular and co-curricular activities, sports. The teachers personally communicated and guided the students. They helped the students to solve their academic or personal problems whenever required. The students were encouraged to participate in all the activities and develop their skills. Whatsapp groups were formed by the mentor teachers for the regular follow up of the students.
