#### • Library Computerization –

Library uses Cloud based 'LIBRERIA' Library Management Software developed by Maharashtra Knowledge Corporation Limited, Pune for computerization. The college has made AMC with MKCL, Pune. 'LIBRERIA' software has various 14 modules like masters, book management, accessioning, membership, circulation, Book-Bank, OPAC, catalogue, reports, database backup etc. Books are entered in accession register as well as data entry is taken place in the software, and books are bar-coded and circulation is done through software. OPAC link is also given in the Library website for easy access of the Catalogue. With the help of this software soft functioning of the library activities are done. Library have 10 Computers, Two barcode reader machines, one barcode printer, 2 printers with scanner. Students Tracking Software is purchased to keep attendance and use online.
