Policy for Divyangjan-Friendly Environment

The institute strives to build Divyangjan-friendly barrier free environment. All necessary measures are undertaken. The policy for this is as per the following:

- There is reservation for Divyangjan students at the time of admission. The reservation policy will be strictly implemented. The students would be given financial concession in the fees.
- The students will be provided guidance and coaching as per their needs. Personal guidance, counseling will be provided to promote these students. The communication with the parents will be maintained for maximum development of the students. The students' confidence will be boosted through the counseling and support.
- These students will be encouraged to participate in various curricular, co-curricular activities. Extra guidance will be provided to them.
- Students will be provided financial assistance through student aid fund.
- Facilities like wheel chair, ramp, tactile path, lights, display boards and signposts will be made available for barrier free Divyangjan-friendly environment.
- The students will be provided assistance at the time of exam such as giving scribe or allowing extra time for the paper writing.
- Assistive technology and facilities for person with Divyangjan accessible website, screen-reading software, and mechanized equipment will be made available. Also provision for enquiry and information regarding the Divyangjan facilities will be made in the form of notices, display on the boards, contacts with the students.
