Report on Social Activity

A Rakhi for Soldiers at Border (Value Addition Programme)

Date: 11/08/2022

Academic Year: 2022-2023

Date/ 11th August 2022

Satara:(11/08) Rayat Shikshan Sanstha's Savitribai Phule Mahila Mahavidyalaya, Satara always organizes various value- based activities to inculcate National and Social responsibilities among the students. Since last five years the girl students of the college collect and prepare more than thousand Rakhis to send for the soldiers at the border. Soldiers are sacrificing their family life for sake of peaceful living of all Indians; they need the affection, love and care of the people to fight with enemies in negative circumstances. Raksha bandhan is very holy and traditional festival celebrates all over India. It is celebration of the relation between sister and brother. Brother takes responsibility of sister and obeys the bandhan that means he bides with the holy string and takes responsibility to protect his sister in any situation. Savitribai Phule is college for only women and therefore the girl students think of themselves as the sister of soldiers and therefore this programme is organized in this college.

On this occasion Martyr's widow wife Ms.Shweta Indalkar is invited with family members to felicitate bravery and sacrifice. This year Captain Udhajirao Nikam, Managing director of Sainik bank,Satara was invited as a chief guest. He motivated the girls and advised them to join the army for sake of nation. In the presence of all staff members, students and some soldiers and army officers from NCC Unit and Sainik Welfare Board, Satara at the auspicious hands of Principal Dr. Shivling Menkudale, Joint secretary, Rayat Shikshan Sanstha ,Satara these Rakhis are handed over to Nayak Hanmant Nikam to send to the soldiers at border. Students and faculty celebrated Raksha Bandhan festival at college with the soldiers who came to home for holidays, mothers of martyrs and wives and children of them and handed over box of Rakhis to the army officer. All the soldiers and officers welcome every one by heart. It was really very proud and emotional moment which cannot be forgotten forever. The officio assured to send remaining Rakhis at kargil border. On the behalf the all soldiers, their officio and NCC commander expressed gratitude and thankfulness for the college. It's very touching and pleasant incident which helped inculcate the nationality and social responsibility among the students.

Total Beneficiaries: 117Students +teachers 30+ guests 15=162
